It's a refrain repeated by alumni time and again: WSU professors were their inspiration and their friends.

Enter the future with the confidence that comes from real preparation.

As an athlete, you know that if you've practiced hard you feel more confident for a big game. At WSU, the education you receive together with the programs available and great faculty provide you with that same confidence for the biggest game of all—your future. The education gives you the skills to be critical thinkers and initiators, important skills in any endeavor you decide upon. Students can immerse themselves in a variety of learning situations, ranging from high levels of interaction with professors to hands-on research projects and community and public service activities. The newest technology, numerous leadership opportunities, and study abroad programs further enrich the WSU college experience.

A friendly environment

The Pullman campus straddles College Hill in Pullman, a college town of 25,000 located among the rolling hills of the Palouse region of eastern Washington. The University is the largest residential university west of the Mississippi, which enhances the friendly, traditional collegiate atmosphere for which WSU is known.

WSU is located within easy traveling distance of Spokane and Coeur d' Alene to the north. Seattle and Portland are less than 300 miles to the west.

WASHINGTON STATE UNIVERSITY

Dedicated to diversity

Washington State University seeks to enrich every student's educational experience through exposure to different cultures, philosophies, and scholarly perspectives. This atmosphere of interchange and inquiry is fostered through programs that can take students around the globe or to a quiet corner on campus for a discussion with a new-found friend offering a different point of view.

Diversity is a priority at Washington State University. You will meet students from around the world and from other American cultural backgrounds. Enrich your education by enjoying the ethnic music, speakers, and discussions; foreign film series; and cultural celebrations. Take part in a host of other activities sponsored by the many student organizations, which include the Arab, Chinese, Filipino, Japanese, Italian, Hawaiian, Native American, and Pacific Islander student clubs and several African American fraternities and sororities.

Office of Minority Affairs

African American, Asian/Pacific American, Hispanic American, and Native American students find support in each of the ethnic centers. The centers were established to address the academic, cultural, social, and ethnic needs and concerns of minority students. Qualified professional counselors and trained peer mentors are on staff.

Office of Multicultural Student Services

At the Multicultural Center, students of all backgrounds share the richness of their cultures and sponsor multicultural programs for the entire WSU community. The Center also serves as a base for academic support and social activity.

WSU is nationally recognized for its extensive program in international education. More than 30 exchange programs; study abroad programs in more than 20 countries; and internships in Europe, Asia, and the Middle East are available.

Student-Athlete Development

STUDENT-ATHLETE DEVELOPMENT

Our Student-Athlete Development unit initiates support for academic and personal success during on-campus recruiting visits with prospective student-athletes, and continues providing support and services until student-athletes graduate from WSU. Our student-athlete development staff is committed to developing and implementing comprehensive and effective programs to assist student-athletes in identifying and meeting their academic and career goals leading to graduation and career development. We take a "life skills" approach when assisting student-athletes with class selection, major selection, graduation planning, career development, time management, goal setting, study skills, and learning strategies.

Our focus is the student-athlete and his personal development. We reinforce the value of maximizing the educational and career opportunities at WSU. And, most importantly, our staff emphasizes the importance of student-athletes taking personal responsibility and ownership in developing their academic and career plans. Our 91 percent graduation rate for those seniors who have exhausted their eligibility (over the past 10 years) reflects our consistent commitment to academic success while striking a balance between academics and athletics.

FieldTurf Installed at WSU

Martin Stadium, home of Cougar Football, and the adjacent Rogers Field, WSU's practice facility, both feature the latest innovation in artificial turf. FieldTurf, the closest artificial playing surface to grass, was installed during the summer of 2000. FieldTurf features a grass-like field on top of a base of ground up rubber. WSU was just the second NCAA Division I team to install the latest innovation in artificial playing surfaces.

WSU's practice area, Rogers Field, includes two 70-yard fields adjacent to Martin Stadium. Field Turf was installed at both facilities in 2000.

UNIVERSITY Facilities

The WSU athletic equipment room is staffed by four full-time certified equipment managers with over 29 years of combined service at WSU. The staff is responsible for fitting, ordering, and purchasing, as well as inventory control for all athletic equipment. In addition, the staff also provides maintenance and repair of all protective equipment and clothing. The athletic equipment room houses all athletic equipment and clothing, a laundry room, four heat press printing machines, three sewing machines, and various other tools in a 5,300-square-foot room that allows the department to be totally self-sufficient in providing service to student-athletes, coaches, and staff. Daily laundry service after all practices and competitions is offered for student-athletes, coaches, and staff. The staff pack and transport all equipment for every sport to competitions away from home as well as locker room set up at home and away competitions.

OUTLAND

TROPHY WINNER

88
RIEN LONG

THE OUTLAND TROPHY

Rien Long became Washington State's first national individual award winner in 2002, winning the prestigious Outland Trophy at the ESPN College Football Awards Show held in Orlando, Fla.

The Outland Trophy is presented by the Football Writers' Association of America each year to the nation's outstanding collegiate interior lineman. It was first presented in 1946 to John Outland, an All-American tackle at the University of Pennsylvania.

Long paved the way toward the honor by dominating the line of scrimmage throughout his junior season. The Anacortes, Wash., native was the national leader among defensive tackles in sacks (13.0) and tackles for loss (21.5).

Long's most impressive sequence of the season came in the overtime period of Washington State's 30-27, Oct. 5 victory over USC. On back-to-back plays, Long sacked eventual Heisman Trophy winner Carson Palmer for a loss of seven yards, then brought running back Justin Fargas down five yards behind the line of scrimmage to force the Trojans into an unsuccessful 52-yard field goal. WSU's Drew Dunning would win the game with a 35-yard kick three plays later.

Long's play became impossible to ignore Nov. 2 when No. 16 Arizona State and No. 8 WSU clashed for the outright lead in the Pac-10. Once again, Long was a disruptive force, compiling four tackles for loss and three sacks in a 44-22 win that catapulted the Cougars toward the Pac-10 title and a trip to the Rose Bowl.
