ALEX BRINK - ARA SPORTSMANSHIP AWARD

Former Washington State quarterback Alex Brink was the 2007 recipient of the ARA Sportsmanship Award, presented annually by the Awards and Recognition Association. The national award is presented each year to the NCAA Division I college football player who most exemplifies sportsmanship on and off the field.

Brink was selected from 10 finalists representing schools across the country. Previous winners of the award include Carolina Panthers running back DeAngelo Williams (Memphis) and St. Louis Rams running back Brian Leonard (Rutgers).

Brink, who ended his career as WSU's career record-holder in passing yards, touchdowns, completions, attempts and total offense, was also one of 15 recipients of the National Football Foundation Scholar-Athlete Award and a finalist for the Draddy Award, entitling him to an \$18,000 postgraduate scholarship. The Draddy Award annually recognizes an individual as the absolute best in the country for his combined academic success, football performance and exemplary community leadership.

Brink was a two-time finalist for the Wuerffel Trophy, which honors the college football player who best combines exemplary community service with outstanding academic and athletic achievement.

WSU 14, BROWN 0

A crowd of 10,000 was on hand at the Pasadena Rose Bowl January 1 to watch as undefeated Washington State took on eastern power Brown University in the first of the continuous Rose Bowls. WSU used third and fourth quarter touchdown runs by Ralph Boone and Carl Dietz to shutout the Bruins 14-0. Brown entered the game a two-to-one favorite, despite a modest 5-3-1 record. The Bruins' 3-0 win over Yale was the key accomplishment that earned the Rhode Island team an invitation to play in the Rose Bowl. A cold spell, followed by a heavy rain and some snow for three days prior to the game, turned the playing field into a sea of mud that slowed both teams. Brown came close to scoring twice in the first half, but each time Washington State's defense, which had allowed just one field goal and one touchdown all season, rose to the task and halted the Bruins short of the goal line, once at the four yard line. Bruin star Fritz Pollard gained just 47 yards in 13 carries. Pollard later became the first black named to a Walter Camp All-America team and was the first black head coach in the National Football League. In the second half WSU's size advantage began to pay off as the Cougars took command, scoring once in each quarter. WSU's preparation for the game had been, to say the least, odd. Coach William "Lone Star" Dietz, out of the Carlisle Indian School, and his Cougar squad served as extras in the football film "Tom Brown of Harvard" each morning, then practiced for the bowl game during the afternoon. Each WSU player earned \$100 for the 14 mornings of movie work. During practice sessions, Dietz appeared in his "classic" coaching attire: a silk hat, Prince Albert cutaway coat, striped pants, yellow gloves, and a walking stick. Originally known as the Pasadena Tournament of Roses East-West game (it was 1923 when the real Rose Bowl facility was completed that the name changed), the WSU-Brown game was played at Tournament Park.

#14 BYU 38, #20 WSU 36

Three games in one was more than the 52,000-plus fans at San Diego's Jack Murphy Stadium paid for, but three games is what they saw as the Brigham Young Cougars held on to defeat the Washington State Cougars 38-36. The BYU squad won the first game, a 31-minute affair that generated a 31-7 lead for the team from Provo. The next 25 minutes just as convincingly belonged to WSU 29-7. In the end, however, the game belonged to BYU as much for defense as anything. They stopped the Pullman team with just over three minutes to play by forcing a punt, then ran out the clock to preserve the win. Jim McMahon, in his last collegiate game, completed 27 of 43 passes for 342 yards and three touchdowns. More importantly, he did not throw an interception. The WSU Cougars used the running of Don LaBomme and quarterback Ricky Turner to baffle the BYU team, especially in the second half. Turner gained 92 yards in 12 carries and scored twice, while LaBomme added 79 yards in 14 carries and scored once. Robert Williams and Mike Martin also scored for the Cougars. WSU's failure on a two-point conversion late in the third quarter, an interception BYU's Ron Holmoe returned 35 yards for a touchdown on the third play of the third quarter, and a key sack of Casper on WSU's last possession loomed big in a game that had numerous turning points.

#18 WSU 24, #14 HOUSTON 22

Washington State scored 24 second-quarter points and forced a last-second Houston turnover in notching a 24-22 win over the Texan Cougars Christmas Day. The bowl appearance was WSU's second of the 1980s and evened the Cougars bowl record to 2-2. In a close game there are many heroes, but for WSU, none stood out more than senior Victor Wood. He picked up a fumble early in the second quarter and zipped five yards for a touchdown that put his Cougars ahead 7-3. On WSU's next possession, Wood caught a 15-yard scoring pass from Timm Rosenbach to put WSU up 14-3 and well on its way to a bowl victory viewed by a national ABC-TV audience. Wood's heroics were catching as WSU added a Jason Hanson 33-yard field goal and another touchdown, this one by Rosenbach, before halftime to put Washington State in command 24-9. WSU limited the Texas visitors to just five first half firstdowns, 46 yards rushing, and 77 yards passing before intermission. The Cougars picked off two Houston passes, one each by Shawn Landrum and Vernon Todd. In the end, however, it was Tuineau Alipate's hard hit that forced a Houston fumble recovered by Artie Holmes at the WSU five yard line. James Dixon was the recipient of Alipate's jarring tackle after catching a David Dacus pass over the middle that appeared for a moment to set up a potential game-winning score by Houston. The Cougars then controlled the ball for the final 2:44, with a key six-yard Rosenbach to Tim Stallworth pass giving WSU the much-needed first down just before the game ended.

#18 WSU 31, UTAH 28

Perhaps no college bowl game following the 1992 gridiron season was more offensive minded than the Copper Bowl matchup between WSU and Utah, but after all the running and passing that accounted for more than 1,100 yards, the deciding play was a 22-yard field goal by WSU's Aaron Price. The Cougars scored 21 unanswered points in the first quarter and one additional score just before halftime for a 28-14 lead. WSU then held on until Price gave them their final lead with 5:08 to play. Even then, they had to watch anxiously as Chris Yergensen's 20-yard chip shot sailed wildly to the left with 3:18 remaining. Though the 40,000-plus fans left the stadium talking about the offensive plays that stood out, it was WSU's defense in the fourth quarter that made this win possible. The Utes scored twice in the second quarter and added two more scores to pull even with a quarter to play. Both teams then turned to their defenses. The key play came with 6:29 to play when Utah's Frank Dolce avoided a strong WSU rush and hooked up with Henry Lusk on a short sideline pass. John Rushing then stripped Lusk of the ball and Singor Mobley scooped it up at the Utah 36 yard line. Fifteen yards later, at the Utah 21, Mobley was dragged down, setting up the Cougars with great field position. Drew Bledsoe immediately drove the Cougars to the Utah five yard line before turning the scoring chores over to Price. Like he did the closing seconds of WSU's 23-20 win over Arizona in the same stadium early in the season, Price came through with the kick. Bledsoe completed 30 of 46 passes for a school record 476 yards. Phillip Bobo caught 87 TD passes of 87 (equalling a school record) and 48 yards, and Shaumbe Wright-Fair picked up 123 yards rushing and scored on a pair of three-yard line smashes.

#24 WSU 10, BAYLOR 3

The Washington State offense scored on the opening drive of the game and on the last play of the second quarter to provide all the points the Cougar defense needed as WSU held off Baylor's late challenge in a 10-3 win at the second annual Builders Square Alamo Bowl before a crowd of 44,106. Despite some anxious moments in the closing seconds of the game, the Cougar defense made those 10 points stand up by limiting the record-setting Bear offense to eight first downs, 151 yards in total offense and just one field goal. The Cougars did something against Baylor they had not done all season, take the opening kickoff and drive the length of the field for a touchdown. The drive totaled 91 yards, equalling the longest scoring drive of the season, and ended when Kevin Hicks busted through the left side of the line from one yard out to put WSU on top 7-0. The score came six minutes, 32 seconds after the kickoff. WSU's offense provided three more points just before halftime to give the Cougs a 10-0 lead at intermission. Taking the ball after Baylor's Jarvis VanDyke missed his second field goal attempt of the first half, WSU drove from its own 30 yard line to the Baylor 20 yard line, where Tony Truant banged home a 37-yard field goal with two seconds left in the first half. A sideline pass to Jay Dumas for a key first down, then another similar pass to Albert Kennedy put the ball in perfect position for Truant. Davis, named the game's most valuable offensive player, hit six of eight passes on the drive. Davis, who completed 27 of 35 passes for 286 yards, gave Cougar fans a few anxious minutes in the third quarter when he took a hard blow to the back while scrambling out of the pocket. He was able to return one play later and finished the game. Defensively WSU was especially tough in the first half. Baylor came into the game averaging nearly 33 points per game and 382.4 yards per contest. In the first half WSU's defense, led by the game's most valuable defensive player, Ron Childs, limited the Bears to just 41 net yards, 24 rushing and 17 passing. Childs had 10 tackles in the game, including eight solo, of which two were for negative yardage. Only on its last possession did Baylor come close to the WSU endzone, where Todd Jensen, a senior who backed up John Rushing all year, picked off a Jeff Watson pass to halt any Baylor hope of scoring. The bowl victory was WSU's second in the last three years and third in seven years. Joining Childs defensively were Chris Hayes with seven tackles, Mark Fields with six and Chad Eaton with five. Fields and Eaton combined for WSU's only sack, while Torey Hunter also had an interception.

#1 MICHIGAN 21, #8 WSU 16

(January 1, 1998, Pasadena, Calif.): The Washington State Cougars, making their first Rose Bowl appearance in 67 years, pushed national champion and number one ranked Michigan to the last play of the game before falling to the Wolverines 21-16 before 101,219 fans and a world-wide television audience. The victory left Michigan a perfect 13-0 for the season, bumping the Cougars to a 10-2 record. After Michigan thwarted two WSU drives to start the game, the Cougar defense forced a Wolverine punt that would set up WSU's first scoring drive. The Cougs took over on the Michigan 47-yard-line with 6:26 to play in the first quarter. Ryan Leaf completed two passes during the drive, including a 15-yard touchdown toss to Kevin McKenzie with 3:17 left in the first quarter. Rian Lindell's point-after gave WSU the early 7-0 advantage. WSU came close to taking a 14-point lead, but Heisman Trophy winner Charles Woodson halted a WSU drive in the Michigan endzone when he intercepted a Leaf pass from the 12 yard line. The Wolverine's answering scoring drive began from their own 34-yard-line at the 8:04 mark in the second quarter and ended with a 58-yard pass from Bob Griese to Tai Streets that completed the first half scoring. Early in the second half, WSU took over 99 yards from the endzone after Michigan's Jason Vinson dropped a perfect punt just outside the endzone. Shawn Tims put the finishing touches on WSU's 99 yard drive in nine plays, taking a reverse handoff the final 14 yards. Leaf hit four of five passes in the drive that amassed 73 yards. Lindell's PAT attempt was blocked by Michigan's James Hall, leaving the WSU advantage at 13-7. The Wolverines responded immediately, moving the ball on their next possession to their 39 yard-line to set up another Griese-to-Streets touchdown combination, this time 58 yards. Baker's point-after gave Michigan their first lead, 14-13 with 6:07 left in the third quarter. Michigan then padded their lead with a 14-play, 77-yard drive that ended in Griese's third touchdown pass of the game, a 23-yarder to Jerame Tuman. Baker's extra-point kick increased the Michigan advantage to 21-13 with 11:21 to play. Washington State responded immediately with an eight-play, 49-yard drive that set up a 48-yard field goal by Lindell, cutting Michigan's lead to five points, 21-16 with 7:25 remaining. The Wolverines then put together a 51-yard drive that consumed almost seven minutes of the game clock. When Jay Feely's pooch punt rolled dead at the WSU seven-yard-line, the Cougars' victory hopes were 93 yards and 29 seconds away. After two incomplete passes, the Cougars faced third-and-10 with only 16 seconds left. Leaf then found Nian Taylor along the sideline for a gain of 46, to the Michigan 47-yard-line. After a delay of game penalty, Leaf hit Love Jefferson at the Michigan 25 and the Cougar tight end lateraled to a streaking Jason Clayton, who managed nine more yards before being brought down in bounds at Michigan's 16 yard line with 0:02 on the game clock. Out of timeouts, WSU was forced to try and spike the ball on first-down, but officials ruled that the final two seconds slipped away before the ball was effectively downed, thus preventing WSU's one final shot at a major upset.

#15 WSU 28, #5 TEXAS 20

December 30, 2003, San Diego, Calif. – Washington State reached the 10-win plateau for the third time in as many seasons with a 28-20 comeback victory over Texas in the Pacific Life Holiday Bowl. Facing a 10-7 halftime deficit, the Cougars rallied to score three touchdowns in the third quarter and take a 26-10 lead into the final stanza. The second half fireworks began with a 54-yard touchdown pass from Matt Kegel to Sammy Moore with just over nine minutes left in the third. WSU used a trick play to get in the end zone once again four minutes later. Kegel lined up under center, but instead of taking the snap, ran in motion to the right sideline, leaving running back Jonathan Smith alone in the backfield. Smith fumbled the snap, but recovered and ran 12 yards for a touchdown. Two Texas possessions later, the WSU defense continued the onslaught when Jason David recovered a fumble and took it 18 yards for the Cougs' final touchdown of the game. Washington State's defense forced a fourth quarter safety to push its total to 28. Moore earned most valuable offensive player honors after converting both of his catches for touchdowns and setting up another with a 51-yard punt return. Sophomore Kyle Basler was named the game's most valuable defensive player after pinning the Longhorns inside their own five on four occasions.

Jason Hanson, now a 16-year veteran of the National Football League's Detroit Lions, starred at Washington State as both a kicker and punter from 1988-91, garnering first-team All-America honors three times and first-team academic All-America honors three times.

Over the course of his career, Hanson booted 39 field goals of 40-plus yards, and 20 field goals of 50-plus yards, both of which are NCAA records. In 1991 Hanson's average of field goals made was 50.9 yards, an NCAA single-season record.

In 1991 Hanson nailed a 62-yard field goal at UNLV, which at the time was the longest in NCAA history without the use of a kicking tee. The mark still stands as the longest field goal in WSU history.

Mel Hein, arguably WSU's best football player of all time, has been winning awards since his playing days in the late 1920s. Even after his death in 1992, Hein is collecting awards and recognition.

Hein was an All-American and member of WSU's 1931 Rose Bowl team. He then went on to an amazing career with the New York Giants. Despite having not played since 1945 and obviously not seen by most of today's players, coaches and fans, Hein's legend status lives on.

The latest honor accorded Hein was his selection to the Walter Camp Foundation's All-Century College Football Team. The 20th century was just drawing to a close in December, 1999, when the who's who of college football players was announced and there was Hein's name as one of the three greatest centers to ever play the college game.

In addition, Hein has also been picked to professional football's all-time team and is a member of the College Football Hall of Fame and the Pro Football Hall of Fame.

ORIN E. "BABE" HOLLINGBERY

1927-31 Mel Hein

7

Mel Hein, a consensus pick as the greatest center in football, was the first player to have his jersey retired at Washington State University.

Hein wore his famous No. 7 throughout his collegiate and professional career.

An All-America pick following the 1930 season, Hein helped lead the Cougars to an undefeated record that year and into the 1931 Rose Bowl Game against Alabama. WSU lost that game 24-0, but WSU's record in Hein's three varsity seasons was 26-6.

Besides his All-America selection his senior year, he was an All-West Coast pick after having been named to the All-Coast second team as a junior.

He was also a basketball player, starting at center his junior year for coach Jack Friel's club.

From WSU it was on to the New York Giants, where he played 15 years. Hein was inducted as a charter member into the National Football League Hall of Fame. He was also inducted as a charter member into the Washington State University Athletic Hall of Fame on Oct. 20, 1978, and is a member of the Washington State Sports Hall of Fame and the Inland Empire Sports Hall of Fame.

Eight times an All-Pro center, he was the NFL's most valuable player in 1938. He coached four years, both as head coach and as an assistant.

From 1966-67 he was the supervisor of officials for the American Football League.

In 1969, Hein was voted one of the 11 all-time best professional and collegiate football players in a vote conducted in conjunction with professional football's Centennial celebration.

The Washington State University Board of Regents honored Hein May 14, 1983, with its Distinguished Alumnus Award, the highest award bestowed a Cougar alum.

Hein is also a charter member of The College Hall of Fame, one of three Cougars honored by the National Football Foundation.

In 1999, he was one of three centers named to *The Sporting News* All-Century team for college players.

1974-78 Jack Thompson

14

Jack Thompson finished his career in 1978 as the most prolific passer in the history of the National Collegiate Athletic Association.

Thompson, who was granted a fifth year after missing the 1974 campaign with a knee injury, passed for 7,818 yards for a NCAA record.

He became the fourth quarterback in NCAA history to pass for 2,000 yards or more in three seasons.

He established Pacific-10 Conference and WSU records for passes attempted (1,086), passes completed (601) and total plays (1,345). He tied the conference mark for touchdown passes (53) and touchdowns responsible for (63).

Other NCAA career accomplishments by Thompson placed him third in total offense with 7,698 yards, third in pass completions with 601 and tied for fifth with his 53 TD tosses. He became the first junior in the history of the conference to surpass the 5,000 yard barrier in passing.

In 1976 he set a conference record for passing yards with 2,762, completions (208) and touchdown passes (20). He was an All-Pac-8 First Team pick as voted by the coaches, All-West Coast UPI First Team and a second-team AP pick, All-America honorable mention by AP and two-time Pac-8 Player of the Week.

In 1977 he was named to the All-Pac-8, AP and UPI All-West Coast second teams and was named an AP All-America honorable mention.

Prior to the 1978 campaign he was a Playboy All-America pick and appeared on the cover of *Street & Smith Magazine*. He was All-Pac-10 First Team and UPI All-West Coast Second Team. Following the season he played in the Challenge Bowl and was named MVP, and played in the Hula Bowl. The National Football League scouts voted him to *The Sporting News* All-America First Team.

Thompson was the third player selected in the 1979 NFL draft, going to the Cincinnati Bengals. He later played for Tampa Bay.

He was only the second football player and the third athlete in WSU history to have his jersey retired.

THE BROADCAST TEAM

Hall of fame announcer **Bob Robertson Sr.** is in his 42nd season calling Cougar football action. When Cougar fans gather and talk about Saturday afternoons in the fall on the Palouse, football and Robertson just naturally become part of the conversation.

The long-time Cougar broadcaster began his association with WSU football in 1964 and with the exception of a three-year period in 1969-71, he's been calling the Cougar action ever since.

Robertson's peers have selected him Washington Sportscaster of the Year 12 times, validating what Cougar fans have known for years - he is simply the best. In 1995 he was named the State Broadcaster of the Year.

Robertson was inducted into both the WSU Athletic Hall of Fame and the Inland Empire Hall of Fame in 2001-02, and in August 2004 received the prestigious Chris Schenkel Award at ceremonies held at the College Football Hall of Fame in South Bend, Ind. At the same time he became the first broadcaster west of the Mississippi to be inducted into the College Football Hall of Fame - broadcaster division. He is also a member of the Pierce County Hall of Fame.

Bob's association with WSU runs deeper than just football broadcasts. For 23 years he was the voice of Cougar Basketball, including several NCAA tournament teams. In 1978-79, he was named WSU's Dad of the Year and he also worked with the WSU Cougar Club on the west side in the 1980's.

Robertson was born in Fullerton, Calif., during spring training of the Seattle Indians of the Pacific Coast League. At the time his father was a player for the Seattle club.

After graduating from Blaine (Wash.) High School, he attended Western Washington University in Bellingham, where he launched his broadcasting career. His first broadcasting exposure came as a young actor for the Canadian Broadcasting Company in Vancouver, B.C., then bloomed while attending college.

In 1948 Robertson signed to play professional baseball, but a year later gave up playing to become the voice of the Wenatchee Chiefs of the Western International League, his first full-time broadcasting opportunity.

Among his many accomplishments, Robertson has:

- Spent 25 years calling Pacific Coast League baseball in Seattle and Tacoma;
- Broadcast professional soccer in Seattle, Tacoma and Portland; he was Washington's Soccer Man of the Year in 1983;
- Broadcast hockey, boxing, wrestling and hydroplane races
- Had his "cup of coffee" in major league baseball, broadcasting some Seattle Mariner games in the late 1990's
- Served as television sports anchor in the Seattle market for 25 years, including time with KSTW (called KTNT 1956-70, then KSTW 1976-83) and KMO (he helped put them on the air);
- Currently voice of the Spokane Indians baseball team and Pacific Lutheran University basketball;
- Served as the television voice of Notre Dame football and basketball for two years in the 1950's.

This fall Bob and wife Joanne celebrate their 57th anniversary. They have four children, Hugh, Janna, John and Rebecca, and seven grandchildren. The Robertson's have resided in Tacoma since 1950, with the exception of his stint with Notre Dame.

As much as Robertson is part of Cougar Football Saturday, so is his closing broadcast signature, "Always be a good sport, be a good sport all ways,"

Joining Robertson in the broadcast booth for the eighth year is a name familiar very to Cougar football fans, former Cougar head coach (1978-86) **Jim Walden**. Walden is the third-winningest coach in WSU football history.

Known for his wit and charm, Walden later coached the Iowa State, then in 1995 moved into the broadcasting profession, both in radio and TV, while continuing to live in Iowa.

Walden, who beat every team in the Pacific-10 Conference while at WSU, is perhaps best remembered for resurrecting a struggling program that had three coaches in three years, and for guiding WSU to the 1981 Holiday Bowl, the Cougars' first bowl appearance in 51 years. Jim now lives in Harrison, Idaho.

Patrolling the sidelines and locker rooms is KXLY's **Bud Nameck**, who also handles the network's play-by-play duties during the Cougar men's basketball season. Nameck served as sports director for at KXLY for 13 years, 1982-95, and was the voice of Cougar football for FOX Sports Northwest for 14 years, 1988-2001.

He is currently the assistant director of the Cougars Sports Radio Network and resides in Spokane with his wife Diane and daughter Kelsey.

THE COUGAR SPORTS RADIO NETWORK

Cougar football games are broadcast live on the radio throughout the Pacific Northwest via The Cougar Sports Radio Network. The 25-station football network - one of the largest in the Pac-10 - reaches from British Columbia to Oregon and can be heard worldwide via the internet and XM Satellite radio. The men's basketball network includes 16 stations.

The KXLY Broadcast Group produces The Cougar Sports Network, which also features radio coverage of WSU men's basketball, baseball, women's basketball and women's volleyball, and 30-minute coaches show in the fall and winter seasons.

Cougar football broadcasts begin an hour before kickoff, carry through the game and conclude with post-game interviews with players and coaches and a live call-in talk show.

KXLY, which began partnership with the Cougars in 2001 and now runs through 2012, also publishes Crimson & Gray Magazine, the official game-day publication of Cougar football.

MARTIN STADIUM HISTORY

NAME: Clarence D. Martin Stadium and Academic Center
CAPACITY: 35,117

HISTORY

- 1892—Built as Soldier Field;
- 1895 (November 9)—WSU defeated Idaho 10-4 in the first football game on Soldier Field;
- 1902—The field was renamed Rogers Field in honor of the Governor of the State of Washington, John R. Rogers;
- 1936—Washington State College built a completely new football stadium, but retained the same name; the new stadium was an all-wood structure built on concrete pilings. The field also featured new stands, an enlarged press box and an electronic scoreboard;
- 1970 (April)—Fire destroyed the south stands; a one-million dollar fund drive began after the decision was made to rebuild the stadium rather than relocate or build an entirely new stadium; Dan Martin, a Los Angeles businessman, gave \$250,000 to the project with the stipulation the stadium be renamed after his father, Clarence D. Martin. Clarence Martin was Governor of the State from 1933-40;
- 1972 (summer)—first artificial turf (Astroturf) was installed;
- 1972 (Sept. 30)—WSU met Utah in the first game played in refurbished Martin Stadium;
- 1975—New north (student) stands were built;
- 1978 (fall)—Work began on the academic portion of the complex on the south side with the computer center relocating to the complex upon completion of the project in 1979;
- 1979 (January)—Another renovation of the stadium began to increase the seating capacity from 27,600 to 40,000; the floor of the stadium was excavated 16 feet to add 12,400 seats; the track was removed from the stadium and relocated to the Bailey Baseball Stadium area directly north of the football complex, while a new baseball stadium was then built just south and east of Friel Court, home of Cougar basketball; the entire project, like the one in 1970, was funded through contributions; gift-in-kind and the purchase of “stadium builder” seat options; it marked the first time a collegiate football stadium had been enlarged by digging down rather than building up; the project was also funded in part by the Martin family, with Charlotte Martin, widow of Dan Martin, giving \$250,000 to the project; a SuperTurf artificial surface was installed;
- 1979 (October 13)—WSU celebrated Homecoming by defeating UCLA 17-13 before a record crowd of 32,651 in the first game played in the enlarged Martin Stadium;
- 1990 (summer)—Installed the sand-filled Omni-Turf playing surface.
- 2000 (summer)—Installed FieldTurf in Martin Stadium and on Rogers Field.
- 2006 —Current stadium renovation began.

Washington State University is committed to providing quality education for undergraduate and graduate students within a caring community. The university's motto – "World Class. Face to Face." – reflects that commitment.

Considered one of the leading public research universities in America, WSU has 10 colleges and a Graduate School. WSU offers strong and varied academic programs. The liberal arts and sciences have an important place in the curriculum, along with business, education, architecture, pharmacy, nursing, and the traditional land-grant programs in agriculture, engineering, and veterinary medicine.

WSU offers some 245 fields of study including majors, minors, options and certificate programs. Bachelor's degrees are available in all major areas, with master's and doctoral degrees available in most. The undergraduate core curriculum, including world civilizations courses and writing requirements, is nationally recognized. WSU's Honors College is one of the oldest and most respected all-university programs for academically talented students. WSU confers more than 5,000 bachelor's, master's, professional and doctoral degrees statewide in a typical year.

The state's land-grant research university, WSU was founded in Pullman in 1890. Today, it is co-located in Pullman and Spokane with additional campuses in the Tri-Cities (Richland, Pasco and Kennewick) and in Vancouver, across the Columbia River from Portland, Ore. Regional Learning Centers and the Distance Degree Programs offer access to WSU degrees statewide.

WSU programs in Spokane, about 80 miles north of Pullman, play an important role in the university's educational and research mission. For example, the Intercollegiate College of Nursing/WSU College of Nursing is located in Spokane. Doctor of pharmacy students are based in Spo-

kane for their third and fourth professional years. Also, completing their degrees in Spokane -- in the Interdisciplinary Design Institute at WSU Spokane on its Riverpoint campus -- are architecture, interior design, landscape architecture and construction management students.

Nearly 1,300 instructional faculty members provide learning opportunities that open students' minds to the most recent knowledge and discoveries. The chance for students to know and work closely with their teachers is a Washington State University tradition.

WSU Elson S. Floyd says "affordability, accessibility and accountability" are keystones to his administration leading Washington State University. He puts high priority on WSU being a research leader and having a global presence. Furthermore, he endorses diversity of thought, opinion, perspective, viewpoints, race and ethnicity as characteristics of a world-class university.

Washington State University realizes the importance of research in all sectors of society. It has produced an impressive and extensive history of basic and applied research since its founding. WSU is known for research strengths in areas as diverse as biotechnology, shock physics, viticulture, sleep, wood technology, computer chips and advertising's impact on healthy decision-making.

WSU's research quality is reflected in the fact that seven of its faculty members have achieved the country's highest honor for scientists and engineers as members of either the National Academy of Sciences or the National Academy of Engineering. Another quality indicator is the university's success in increasing funding for its research efforts. Both facts support WSU's position among the nation's premier research institutions.

The Pullman campus serves more than 18,600 undergraduate and graduate stu-

dents. This figure includes those in the Distance Degree Programs. Statewide, WSU has more than 23,300 students.

WSU's Pullman campus is residential in nature, with some 46 percent of the student body living in residence halls, university-owned single and family student apartments, and fraternity and sorority houses. Students enjoy a variety of cultural activities in an area that benefits from two universities. The University of Idaho is eight miles away in Moscow, Idaho.

WSU students of diverse social, economic, and ethnic backgrounds from throughout the nation and more than 90 foreign countries come together in an academic community committed to education and leadership development.

Located on College Hill in Pullman, WSU's 620-acre core campus features modern classrooms and libraries, laboratories, museums, student residences, recreational and athletic facilities. For example, the new 94,000-plus-square-foot Smith Center for Undergraduate Education includes classrooms with Internet access at every seat, a cyber café, computer labs and much more. Students enjoy using the Student Recreation Center and also taking part in one of the largest university-sponsored intramural programs in the nation.

Loyal fans, including students, faculty, staff and alumni, cheer on the WSU Cougar women's and men's intercollegiate athletic teams, members of Pac-10 Conference, in on-campus venues.

UNIVERSITY

World Class. Face to Face.

THE COUGAR MASCOT

In 1927, Governor Roland Hartley presented a cougar cub to the students of the University. This first cougar mascot was called Butch, to honor Herbert "Butch" Meeker of Spokane, a WSU football star at the time. Butch II was presented to the students by Gov. Clarence D. Martin in 1938. Butch III and IV were twin cubs, presented by Gov. Arthur B. Langlie in 1942. Gov. Langlie presented Butch V in 1955. Butch VI, the last live mascot on campus, died in the summer of 1978. He had been presented to WSU by Gov. Albert Rosellini in 1964 from the Seattle Zoo. Today, WSU students in a "Butch the Cougar" mascot costume rally school spirit at athletic contests, including football games and other events.

THE COUGAR NICKNAME

Washington State University students officially adopted the nickname "Cougars" October 28, 1919, three days after a reference to "cougars" was used in a football game newspaper story following WSU's upset 14-0 win at California. In the story, a California Bay Area writer said the Pacific Northwest team "played like cougars" in upsetting the Bears.

THE COUGAR HEAD LOGO

In 1936, student Randall Johnson, class of 1938, designed the original Cougar head logo for Washington State College. It was used on the side of college trucks. In 1959, when the institution changed from college to university, he re-created the logo to incorporate the "U" in place of the "C." In 2002, WSU developed a new graphic identity. It employs the Cougar head within a crest, an internationally recognized symbol for higher education.

THE VICTORY BELL

In the late 1800s, the victory bell was mounted on the ground in the center of campus; it rang to start and dismiss classes in those early days. Today, it is located at the Lewis Alumni Centre. A member of the Student Alumni Connection rings it after WSU football wins.

THE UNIVERSITY

The Founding: 1890. The university doors opened in 1892 with 13 collegiate and 46 preparatory students enrolled, according to records in the University Archives.

The Name: Began as Washington Agricultural College and School of Science and became known as Washington State College in 1905. In 1959, the state legislature renamed it Washington State University.

Academic Structure: Colleges are Agricultural, Human, and Natural Resource Sciences; Business; Education; Engineering and Architecture; Liberal Arts; Nursing; Honors; Pharmacy; Sciences; Veterinary Medicine, and the Graduate School.

Outstanding Alumni: The Regents' Distinguished Alumnus Award is the highest honor WSU bestows upon its alumni. Winners include Neva Abelson, co-developer of the Rh blood test; Philip Abelson, father of the atomic submarine; Phyllis Campbell, philanthropy leader and business innovator; Microsoft co-founder Paul Allen; astronaut John Fabian; Mel Hein, WSU and New York Giants professional football all-star; Keith Jackson, ABC-TV college football sportscaster; Far Side cartoonist Gary Larson; Edward R. Murrow, broadcasting's top journalist; Laurence Peter of "The Peter Principle;" Green Revolution's Orville Vogel; sociologists William Julius Wilson and James E. Blackwell; and Japanese home economics pioneer Matsuyo Yamamoto.

Campuses: WSU's main campus is in Pullman. The WSU System includes campuses in Spokane, Tri-Cities (Pasco-Kennewick-Richland) and Vancouver, across the Columbia River from Portland, Ore.

Students: More than 16,000 undergraduate and professional students and more than 2,000 graduate students study on the Pullman campus. The WSU System has more than 23,300 students.

Faculty: In the WSU system, there are some 2,200 instructional, research and other faculty and some 3,300 administrative/professional and classified staff.

WSU Web site: Visit the award-winning Washington State University Web site, www.wsu.edu, for more information.

PULLMAN

Location: Home of the National Lentil Festival each August, Pullman is eight miles from the Washington-Idaho border, in the southeastern part of the state. It is eight miles west of Moscow, Idaho; about 80 miles south of Spokane, Washington, and about 30 miles north of Lewiston, Idaho.

Pullman's Beginnings: Originally known as Three Forks, because the Missouri Flat Creek from the north, Dry Creek from the south, and the South fork of the Palouse River from the east converge at this point. The town became Pullman in 1881. One story is that the name came from George Pullman, the king of the great railroad sleeping-car. Pullman was incorporated in 1886.

Climate: Dry and clear much of the year, with hot summers and cold winters, often with snow. The average annual rainfall is 21 inches per year.

Population: About 27,000, including WSU students.

Pullman is built on hills: Washington State University is on College Hill. The other hills are Military, Pioneer and Sunnyside.

Pullman and Moscow are "Dreamtowns:" Pullman and neighboring Moscow, Idaho, are the university cities because WSU and the University of Idaho have their main campuses in the two respective cities, located eight miles apart. They are also "Dreamtowns," according to Demographics Daily. In a study, the two cities and 139 other U.S. locations were called "Dreamtowns" recognizing quality of life based on various criteria including vitality, supply of good jobs, freedom from stress, connection to cultural mainstream, support for schools, access to health care, low cost of living, and small town character. Another quality indicator is for Pullman Regional Hospital. In December 2006, the hospital was ranked in the top one percent (or 99th percentile) out of 1,499 hospitals nationwide in overall patient satisfaction.

Pullman has highly rated public schools: In a survey of 15,892 districts nationally, the Pullman School District was named one of the 100 Best in the U.S., according to an issue of *Offspring*, parenting magazine from the editors of *The Wall Street Journal's SmartMoney*.

THE PALOUSE

The Geographic Area: Known as the Palouse ("Pah-loose"), an area between the moist forests of the Rocky Mountains and the dry scablands of Washington. Its irregularly shaped rolling hills were formed by the erosion of thick basalts, followed by a deposition of a loess soil which, with excellent water-holding ability, is the fertile basis for the rich agricultural production of the area.

Beauty of the Palouse: A book, "The Most Beautiful Place in the World," Friendly Press, edited by Jay Maisel, says the "Palouse is the Louvre of farmlands. Four thousand square miles of rolling hills...it has the perfect combination of topography, weather, crops and farming methods to produce a stunning collection of ... land-art." *National Geographic*, June 1982, calls it "A Paradise Called the Palouse."

Early Inhabitants: Long before white explorers arrived, Indian tribes, including the Cayuse, Coeur d'Alenes, Nez Perce, Palouse, Umatillas, Walla Walla, Yakamas, and Spokanes, could be found within a 100-mile radius of Pullman. The Nez Perce are credited with the development of the famous Appaloosa horse. Moscow, Idaho, eight miles from Pullman, is home of the national Appaloosa Museum and Heritage Center.

Lewis and Clark traveled near the Palouse: In 1805, Meriwether Lewis and William Clark followed an Indian trail across the Bitterroot Mountains of Idaho to the Clearwater River, near the Palouse region. They were the first white men to traverse the vast inland plateau. Their exploration opened up the "Inland Empire" to further exploration and settlement.

WSU enrolls more than 23,300 students statewide. Pullman is located about 80 miles south of Spokane. The area offers opportunities for fun and relaxation. Many nationally noted bands, musicians, and dance companies come to campus. As a member of the Pacific-10 Conference, WSU provides exciting competition for the sports spectator. There are beautiful parks in and around Pullman. And, there are ski areas within easy driving distance from Pullman.

The student recreation center opened spring of 2001. Its 150,000 square feet contains seven gymnasiums, a four-lane indoor track, 17,000 square feet of fitness training area, five-lane lap pool, leisure spa, three multi-purpose rooms (aerobic/martial arts), four racquetball courts, a wellness center, a juice bar and a fireplace lounge.

Elson S. Floyd is Washington State University's 10th president. He took office in the summer of July after serving as president of the four-campus University of Missouri during 2002-2007.

"Affordability, accessibility and accountability" are keystones to his administration leading WSU. He puts high priority on WSU being a research leader and having a global presence. Furthermore, he endorses diversity of thought, opinion, perspective, viewpoints, race and ethnicity as characteristics of a world-class university.

Floyd, 51, served as president of Western Michigan University from 1999 to 2002, and held several administrative positions at the University of North Carolina Chapel Hill, including deanships in student affairs and the College of Arts and Sciences.

Previously, he spent two years as executive director of the state of Washington Higher Education Coordinating Board, the agency responsible for statewide coordination, planning, oversight, policy analysis and student financial aid programs for Washington's post-secondary education system. From 1990 to 1993, he served as vice president for student services, vice president for administration and executive vice president at Eastern Washington University.

He began his career in 1978 at the University of North Carolina at Chapel Hill, where he held deanships in the Division of Student Affairs, the General College and the College of Arts and Sciences. From 1988 to 1990, he was assistant vice president for student services for the UNC system office, where he helped develop and articulate student affairs and academic affairs policy for the 16-campus university system.

A native of Henderson, N.C., Floyd holds a bachelor of arts degree in political science and speech, a master of education degree in adult education, and a doctor of philosophy degree in higher and adult education, all from the University of North Carolina at Chapel Hill.

Floyd and his wife, Carmento Floyd, have two grown children.

Anne McCoy Senior Associate Director Of Athletics/SWA

Veteran intercollegiate athletics administrator Anne McCoy has served Washington State University since 2001 and was promoted from associate director to senior associate director of athletics in 2004. Her appointment to senior woman administrator came in the summer of 2007.

In her capacity as senior associate director of athletics, she is charged with overseeing all aspects of WSU's athletic budget and supervises several areas with the department including the business office, equipment, computer and football operations, and event management and facility operations. She also serves as a liaison for men's and women's basketball.

McCoy serves on several Pacific-10 Conference committees, including the Executive Committee as vice-president for the Pac-10 Council, chair of the Senior Woman Administrator Committee and

on the Compliance and Enforcement, Awards Review, Medical Care, and Student-Athlete Advisory committees.

A Wisconsin native, McCoy earned a bachelor's degree in sports management in 1989 from the University of Massachusetts. While an undergraduate, she worked for the Pittsburgh Penguins professional hockey organization, expanding the club's season ticket base. McCoy also served an internship as the assistant athletic business manager at the University of Connecticut, and was instrumental in designing and implementing a comprehensive computerized budget-tracking system.

McCoy served in several capacities at the University of Maine from 1989-1995, lastly as associate director of athletics and senior woman administrator. At Maine, she supervised men's basketball, men's and women's soccer, men's and women's swimming and softball in addition to the athletic business office, ticket office, retail store and cheerleading staff and operations. She took a similar administrative positive at St. Louis University from 1995-96.

In 1996, McCoy moved west, joining the staff at Portland State University as associate director of athletics and senior woman administrator, and was promoted to senior associate director of athletics in 1998. At PSU, she managed all internal staff and the daily operations of the department, representing the director of athletics as needed. McCoy also supervised men's and women's golf, cross country/track and field, and women's volleyball, soccer, tennis and softball.

McCoy and her husband Brian have two children, daughter Taylor and son Jake.

Jim Sterk Director of Athletics

Washington native James M. Sterk was appointed Washington State University's director of athletics in June of 2000. In his eight years, Sterk has seen unprecedented growth and success by the Cougars' 17 intercollegiate teams and 450 individuals who compete for WSU annually.

On the academic front, WSU earned 114 selections to Pacific-10 Conference All-Academic teams in 2007-08. That figure represented the most student-athletes to earn such an honor during an academic year in school history. WSU nearly reached this standard in 2005-06 with 109 selections to conference all-academic teams after setting the mark of 113 during the 2004-05 academic year.

On the field, Cougar Athletics has enjoyed extraordinary achievements highlighted by three consecutive 10-win seasons by the football program from 2001-03. Most recently, the men's basketball

team has made back-to-back appearances in the NCAA Tournament (2007 & 2008), the women's rowing team made its second NCAA Championship appearance in three years, finishing eighth in 2008, following up its fourth-place finish in 2006, the highest finish ever by a WSU women's team in NCAA postseason competition.

Facility improvements have also been among projects Sterk has tackled. Following the 2006 football season, the initial phases of a renovation to Martin Stadium, the home of Cougar football, began with Phases I and II which were completed in time for the 2008 football season. Planned for completion in the fall of 2008 are a state-of-the-art rowing tank and a hydrotherapy to further meet the needs of student-athletes. In addition, plans are underway for an ambitious capital improvement plan that will enhance many other WSU athletic facilities.

A 1980 graduate of Western Washington University, Sterk received his master's degree in sports administration from Ohio University. His professional career has included positions at North Carolina, Maine, Seattle Pacific, Tulane and Portland State, the latter as director of athletics for five years before joining the Cougar staff.

The foundation of Sterk's leadership plan is based on five areas: the student-athlete experience, resource acquisition, personnel, political dynamics, and facilities. All five areas have enjoyed growth in his first eight years at Washington State University.

He was named Distinguished Scholar by the Western Agricultural Economics Association in 2003 for his nationally recognized work as a transportation economist.

During his tenure at WSU, Casavant has served as associate director for the Washington State Transportation Center (1984-87) and the interim Vice-Provost for Academic Affairs and interim Vice-Provost for Research (1998).

The North Dakota native is a 1965 graduate of North Dakota State University, where he earned a bachelor's degree in agricultural economics. He received his master's degree from NDSU, followed by a Ph.D., from WSU in 1971.

Ken and his wife Dorothy have two grown daughters, Michele and Colette.

FOOTBALL

Paul Wulff, 1st Year

Paul Wulff became WSU's 31st head football coach in December, 2007, when he returned to his alma mater after spending the past eight years as head coach at Eastern Washington University. Wulff assembled a 53-40 record at Eastern Washington, leading the Eagles to three postseason appearances.

VOLLEYBALL

Andrew Palileo, 1st Year

New to WSU volleyball but not new to coaching, Andrew Palileo brings a career record of 239-141 after finding success at South Dakota State in both the NCAA Div. II and Div. I levels. He assembled a staff prior to arriving in Pullman and they have moved quickly to establish strong relationships on the recruiting trails.

SOCCER

Matt Potter, 6th Year

Matt Potter, in his sixth season, has led Washington State to three-straight winning seasons, an unprecedented feat for Cougar soccer since joining the Pacific-10 Conference. Washington State is averaging just over 10 wins per season during that span and last year knocked off eventual-national champion USC.

CROSS COUNTRY

Jason Drake, 5th Year

In his eighth year of coaching the Cougar distance runners and his fifth year as head coach of the cross country teams, Drake has mentored 18 new entries in the school's top 10 performance lists. Sara Trane, two-time Pac-10 steeplechase champion, leads a large group of accomplished returnees for the 2008-09 seasons.
